## BREAKING THE CHAINS OF FINANCIAL BONDAGE, ONE INVESTMENT AT A TIME

BY GARY O. SHIELDS, SR.

## MY MISSION

1. Is to be a bridge between the Haves and the Have Nots to begin to reconcile the two financially.
  - A. In the body of Christ (the church)
  - B. Amongst black and brown people who have been marginalized the most.
  - C. And for good hard working generous people who desire to leave an inheritance for their children's children.  
**Proverbs 13:22**
2. Is to teach and develop an army of generous people who care, and are **willing to do something about the growing racial wealth gap** and the lack of information taught about growing one's wealth through the **stock market** in the **churches** and in **poor communities**.
