

FREE INDEED INVESTING COACHING CLASSES

An outline on **Gary Shields Sr's style of investing** that enabled him to become financially free in **12 short years**.

1. I will show my coaching students the only three ways of investing that they will need to know, and that I used in order to become financially free in **12 years**.
2. I will introduce them to the tools and the information that they will need to order to become a successful high yield option-based dividend investor. Such as:
 - A. How to operate and track my custom made excel sheet that tracks the percentage of your income that is spent on needs, wants and charity. Then I will teach you the importance of determining the total return of your investment, which are essential to evaluating your progress.
 - B. The tools necessary to evaluate the strength of their ETFs and how to compare their growth with their competitors.
 - C. One of the many tools that they can use free of charge that will give them an estimated timeline required for them to become financially free with this type of investing.
 - D. How to set up their Charles Schwab platform with the information relevant to be coming a successful high yield option-based dividend investor.

INITIAL CONSULTATION

The initial 1 HOUR consultation is free and is designed to describe to you the three ways of investing to determine whether you have the temperament to be an income growth investor rather than an appreciation/growth investor.
