

CLASSES

FREE INDEED CLASS #2

1. In our second session I will begin to send you YouTube videos to study about high yield option based investing and encourage you to write down your questions and subscribe to the videos that I suggest for you to continue to study.
2. And then I will show you how to determine the strength and the consistent profits of the ETF's that you choose to invest in.

FREE INDEED CLASS #3

1. In our third session I will reveal the portfolio that I've chosen, and I am using to obtain weekly income.
2. I will show you how to use a free tool to determine how quickly you will arrive at your F.I.R.E. number, So that your passive income that is coming from you're High yielding option base dividend investments will replace your earned income enabling you to become free indeed financially.

FREE INDEED CLASS #4

1. In your Final Class, I will show you the formula that I use to track my goal of a minimum of **1%** per month on my R.O.I (return on my invested income)

FOR EXAMPLE

DATE _____

WEEK# _____

ACC NAME OR NUMBER _____

ETF TICKER _____

INVESTED AMOUNT _____

DIVIDENS ON IVESTED AMOUNT _____

R.O.I ON ETF TICKER _____%

TOTAL R.I.O. ON INVESTED AMOUNT FOR THE WEEK _____

2. Then I will spend the rest of our session quizzing you on the information that I've taught you over the last three weeks and answering any questions that you might have, so you can confidently begin your wealth building journey through **High yield option based dividend investing on your road to financial freedom.**

May God show you his favor, and provide you with his wisdom, discipline, and patience on your wealth building journey.

Sincerely, Brother Gary
