

MY #1 PRIORITY

As you may have gathered from my mission statement and my testimony, **harmony with my Lord and savior Jesus Christ is the top priority in my life.** Running a close second is my physical and mental health, and loving my family, loved ones, friends and neighbors as I would desire to be loved. **Matthew 12:30 NKVJ.** Although learning how to earn, manage, invest and multiply money is important. Teaching my family and my students how to build enough wealth so that we not only can have an outstanding and abundant life personally, but equally as important is to teach our friends, family and loved ones how to do the same, so that we can make a positive difference in our communities through the wealth that we have gained from our investments. With that being said, I would be remised **if I didn't, extend the invitation to accept my Lord and savior Jesus Christ as your personal savior and Lord,** for I am absolutely sure, that the holistic success and wealth that I have acquired, and been entrusted with would not have taken place without **His** guidance, wisdom, strength, perseverance and patience with me in my personal life. If you are interested in discussing this commitment further, please let me know and I will block out another hour to talk to you about this important decision.

May the Lord bless your finances and be glorified through this course.

Min. Gary O. Shields Sr.
